**Subject:** Petition 1226: Request for Sunday work hours

Good Morning Melanie:

Eversource is requesting Sunday work hours for the project approved under the subject petition for this Sunday, December 11th. This request is being made due to the inclement weather last week and earlier this week which restricted or prevented scheduled work. The activity on Sunday will be wire work (tying in and deadending) on structures 1478 to 1486A in Waterbury and Middlebury and will occur from 8AM to dusk. Working this Sunday is needed to complete the work during the available outage. This will be the last Sunday hours request for this calendar year.

Thank you for your consideration of this request.

Regards,

*Sue Bellion*
