Eversource Energy
P.O. Box 270
Hartford, CT 06141-0270

RE: **PETITION NO. 1226** – Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of the new 115-kV Towantic Switching Station to be located adjacent to the Towantic Generating Station on Woodruff Hill Road, Oxford, Connecticut and the proposed modifications within existing right-of-way to its existing 1575 and 1585 115-kV electric transmission line extending 6.1 miles from Bunker Hill Substation, located at Clough Road, Waterbury, south through Middlebury to the proposed Towantic Switching station and reconductoring of its existing 1575 115-kV electric transmission line extending one mile from the proposed new switching station south to Structure 1446 (Oxford Tap) located near the Oxford Substation, Commerce Drive, Oxford.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 28, 2016, regarding temporary changes to work hours for the Petition for the above-referenced project that was approved by the Council on May 26, 2016.

Pursuant to Condition No. 8 of the Council's Decision on May 26, 2016 and page 7 of the Council staff report, your request to perform work between 7:00 am to 7:00 pm on Sunday, October 30, 2016 at structure 1486A in Middlebury and structures 1490 and 1494 in Waterbury is hereby approved.

This approval applies only to the request for changes to work hours dated October 28, 2016. Any significant changes to the Petition require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Acting Executive Director

MB/MP/lm

c: Council Members

Helen Taylor, Eversource Energy

Honorable Neil M. O'Leary, Mayor, City of Waterbury

Subject: Petition 1266: Sunday Construction hours

Dear Melanie Bachman:

Eversource is requesting Sunday work hours (7 a.m. to 7 p.m.) on October 30 from Council staff for work at three structure locations. The reason for the request is a delay in construction caused by yesterday's inclement weather and coordination with drilling operations and foundation work. The three structure locations are:

- Structure 1486A (Middlebury off of Route 63)
- Structure 1490 (Waterbury)
- Structure 1494 (Waterbury)

Municipal officials and abutters have been contacted about this work in advance of work activities.

If you have any questions or concerns about this work, please let me know.

Thank you,

Kathleen M. Shanley | Manager - Transmission Siting | Eversource | kathleen.shanley@eversource.com | Direct: (860) 728-4527
