RE: Petition No. 1227 – 1975 Line Structure Replacement Project  
Final Report

Dear Chairman Stein:

The Connecticut Light and Power Company doing business as Eversource Energy (“Eversource”) hereby provides its Final Report for the 1975 Line Structure Replacement Project (Project) to the Connecticut Siting Council (Council). This Final Report is submitted in accordance with the Regulations of Connecticut State Agencies (RSCA), Section 16-50j-62(c); the Council's Decision and Order regarding the Project; and the Council's approval of the Development and Management (D&M) Plan for the Project.

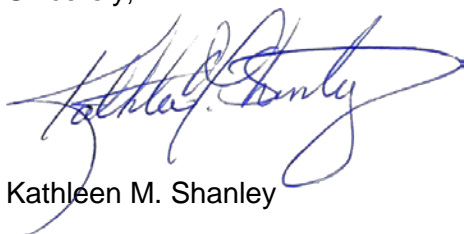

Pursuant RSCA Section 16-50j-62(c), the Final Report identifies the following:

1. All agreements with abutters or other property owners regarding special maintenance precautions;
2. Significant changes to the D&M plan that were required because of the property rights of underlying and adjoining owners or for other reasons;
3. The location of construction materials which have been left in place including, but not limited to, culverts, erosion control structures along watercourses and steep slopes, and corduroy roads in regulated wetlands;
4. The locations of areas where special planting and reseeding have been performed; and
5. The actual construction cost of the facility, including, but not limited to, the following costs:
  - a. Clearing and access;
  - b. Construction of the facility and associated equipment;
  - c. Rehabilitation; and
  - d. Property acquisition for the site or access to the site.

As explained in the December 27, 2016 Notice of Project Completion, the project construction work was deemed complete as of that date. Eversource is hereby providing the Final Report on the Project (See Attachment).

Should you or other Council members have any questions regarding this Final Report, please do not hesitate to contact me via e-mail at [kathleen.shanley@eversource.com](mailto:kathleen.shanley@eversource.com) or telephone at (860) 728-4527.

Sincerely,
