Re: **PETITION NO. 1228** – The United Illuminating Company petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to its existing Pootatuck Substation located at 14 Old Stratford Road in Shelton, Connecticut and related modifications to adjacent 115-kV transmission lines within existing Eversource Energy right-of-way - **Notice of Completion of Construction**

Dear Chairman Stein:

The United Illuminating Company (“UI”) submits this Notice of Completion of Construction, pursuant to condition 7 of the Council's July 8, 2016 Decision and Order, in the above captioned request. Construction activities associated with the above-referenced petition were completed on July 31, 2018. Landscaping pursuant to condition 4 of the Council's Decision and Order remains outstanding due to unfavorable planting conditions and will be completed in the Fall.

Please do not hesitate to contact me at (203) 499-2586 with any questions.

Sincerely,

Amy Hicks
Outreach Specialist
The United Illuminating Company
