RE: **PETITION NO. 1230** – Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to its existing Stony Hill Substation including the installation of a new access road to the substation on Eversource's property located at 49 Stony Hill Road, Brookfield, Connecticut.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of your correspondence of February 21, 2018 regarding a temporary change to construction work hours for the above-referenced Project that was approved by the Council on June 23, 2016.

Pursuant to Condition No. 4 of the Council's Decision of June 23, 2016, your request to perform work on Sunday, February 25, 2018 from 8:00 a.m. to 5:00 p.m. is hereby approved. This modified work hour request is necessary to paint the interior of the synchronous condenser enclosure while the installation crew is not working within the enclosure.

This approval applies only to the request for a temporary change to Project work hours dated February 21, 2018. Any significant changes to the Project require advance Council notification and approval.

Thank you for your attention and cooperation.

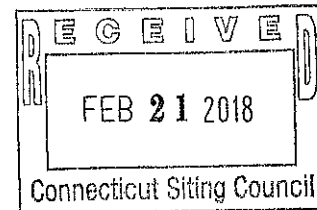

Sincerely,

Melanie A. Bachman
