RE: **PETITION NO. 1234** - DG Connecticut Solar, LLC declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of a 2.8 Megawatt Solar Photovoltaic Electric Generating facility located at Becton, Dickinson & Company, 7 Grace Way, North Canaan, Connecticut.
D&M Plan Revision.

Dear Mr. Parsons and Mr. Libertine:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated November 21, 2017 regarding the transfer of ownership and modifications to the approved Development and Management Plan (D&M Plan) for the above-referenced declaratory ruling issued by the Council on July 26, 2016.

Pursuant to Condition No. 7 of the Council's July 26, 2016 final decision, the declaratory ruling may be sold or transferred to another corporation or entity and the Council shall be notified of such sale or transfer within 30 days of the sale or transfer. The Council hereby acknowledges the notification of transfer of ownership of the Declaratory Ruling from SolarCity Corporation to DG Connecticut Solar, LLC, dated November 21, 2017.

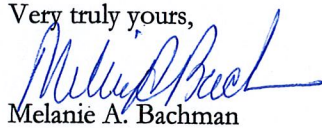

Pursuant to Regulations of Connecticut State Agencies §16-50j-62(b), the request to modify the D&M Plan, which was approved by the Council on September 29, 2016, including, but not limited to, the removal of the eastern ground-mounted solar array and associated improvements, the reduction in the number of solar panels in the western ground-mounted array, the revision to the layout and clearing limits (with increased western array clearing area due to shading effects), and the revision to the Erosion and Sedimentation Control Plans are hereby approved with the following conditions:

- a) The project developer shall provide the final, total number of AC megawatts of the project to the Council; and
- b) The project developer shall provide to the Council a final copy of the D&M Plan revision drawings stamped by a Professional Engineer duly licensed in the State of Connecticut.

This approval applies only to the D&M Plan revision dated November 21, 2017. Any significant changes to the D&M Plan require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Executive Director
