RE: **PETITION NO. 1235** – Doosan Fuel Cell America, Inc. declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 440-kilowatt customer-side combined heat and power fuel cell facility to be located at Middletown High School, 200 La Rosa Lane, Middletown, Connecticut.

Dear Attorney Lauderdale-Ward:

The Connecticut Siting Council acknowledges your transfer of site ownership from Doosan Fuel Cell America, Inc. to Constellation New Energy, Inc. with the condition that Constellation New Energy, Inc. complies with all the terms, limitations, and conditions contained in the decision letter issued for this facility on July 22, 2016 and that Constellation New Energy, Inc. submit timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(1).

Thank you for your attention and cooperation. Your letter will be placed in the above-referenced file.

Very truly yours,

Dear Ms. Bachman:

Please be advised that Constellation New Energy, Inc. ("Constellation New Energy") has acquired from Doosan Fuel Cell America, Inc. all rights, title and interest in the above-referenced fuel cell project (the "Project").

It is our understanding that the Project is current with payments to the Siting Council for annual assessments and invoices under Conn. Gen. Stat. § 16-50v associated with the Project.

By this letter, Constellation New Energy confirms its agreement to comply with the terms, limitations and conditions contained in the Declaratory Ruling, including timely payments to the Council for annual assessments and invoices under Conn. Gen. Stat. § 16-50v.

Please direct all future correspondence regarding this Project to:
