RE: Petition No. 1283 – Southington Substation – Southington
Notice of Completion

Dear Attorney Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy submits this letter to comply with the Connecticut Siting Council's conditions as follows:

- Written notification to the Council not less than 45 days after construction has been completed. Eversource completed construction on June 7, 2019; this letter provides notice of completion of this modification.

Please be advised that the fence extension identified in Section (n) around the new control enclosure was longer necessary and was not installed; otherwise, there were no material changes or other deviations to this modification.

Enclosed are this original and two (2) copies of this Notice of Completion.

If you have any questions or comments, please call me at (860) 728-4527.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley".
