RE: **PETITION NO. 1283** – The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to the existing Southington Substation located at 315 Belleview Avenue, Southington, Connecticut.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated March 16, 2018, regarding temporary changes to work hours for the above-referenced project that was approved by the Council on February 16, 2017.

Pursuant to Condition No. 1 of the Council's Decision on February 16, 2017, your request to perform work from 9:00 a.m. until 6:00 p.m. on Sunday, March 18, 2018 at Southington Substation is hereby approved. The extended work hours are necessary to complete electrical work inside the control house during a scheduled outage. It would be quiet work with minimal crew on site.

This approval applies only to the request for changes to work hours dated March 16, 2018. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman  
Executive Director

MB/MP

**Subject:** PET 1283 Sunday Hours 3/18

Dear Melanie Bachman:

Eversource is requesting approval from Council staff for Sunday work hours (9 AM to 6 PM) on March 18 for work at the Southington Substation. The reason for the request is to complete electrical work inside the control enclosure during the scheduled outage. The work would be quiet work with minimal crew on site.

Municipal officials and abutters have been contacted about this work.

Please review and let me know if you have any questions or concerns.
