Hartford, CT 06141-0270

RE: **PETITION NO. 1283** – The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to the existing Southington Substation located at 315 Belleview Avenue, Southington, Connecticut.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated June 21, 2018, regarding temporary changes to work hours for the above-referenced project that was approved by the Council on February 16, 2017.

Pursuant to Condition No. 1 of the Council's Decision on February 16, 2017, your request to perform work until 9:00 p.m. on June 21 through 23, 2018 and from 7:00 a.m. to 6:00 p.m. on Sunday, June 24, 2018 at Southington Substation is hereby approved. The extended work hours are necessary due to an unexpected change in switching orders from the Connecticut Valley Electric Exchange (CONVEX) which resulted in a delay during the scheduled outage. Eversource will perform quiet work within the fenced substation.

This approval applies only to the request for changes to work hours dated June 21, 2018. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman
Executive Director

MB/MP

Subject: PET 1283: Southington Substation - extended work hours starting tonight (6/21-6/24)

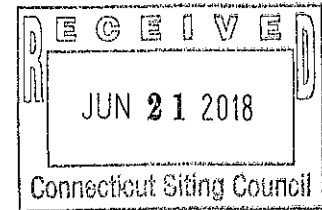

Dear Ms. Bachman:

Eversource Energy is requesting approval from Connecticut Siting Council staff for extended work hours at Southington Substation on June 21 through 23 until 9 PM and on Sunday, June 24, 7 AM to 6 PM. The work hours are required due to an unexpected change in switching orders from CONVEX which caused a delay during the scheduled outage. The work will be testing equipment ("quiet work") within the security fence of the Substation.

The Town of Southington has been notified of the proposed work schedule.

Please contact me with any questions or concerns.

Helen M. Taylor, MBA
