RE: **PETITION NO. 1283** – The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to the existing Southington Substation located at 315 Bellevue Avenue, Southington, Connecticut.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated April 21, 2017, regarding temporary changes to work hours for the above-referenced project that was approved by the Council on February 16, 2017.

Pursuant to Condition No. 1 of the Council's Decision on February 16, 2017 and page 3 of the Council staff report, your request to perform work from 9:00 am until 6:00 pm on Sunday, April 23, 2017 and Sunday, April 30, 2017 at Southington Substation is hereby approved. The Sunday work hours are necessary to support testing operations within the substation during the planned outage.

This approval applies only to the request for changes to work hours dated April 21, 2017. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman

Subject: PET 1283 Sunday Hours 4/23 and 4/30

Dear Melanie Bachman:

Eversource is requesting approval of Sunday work hours (9 a.m. to 6 p.m.) on April 23 and April 30 from Council staff for work at the Southington Substation. The reason for this request is to support the testing operations within the substation during the planned outage.

Municipal officials have been notified and abutters will be contacted about this work in advance of work activities.

Please review and let me know if you have any questions or concerns.
