**RE: PETITION NO. 1283** – The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modifications to the existing Southington Substation located at 315 Bellevue Avenue, Southington, Connecticut.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated May 3, 2018, regarding temporary changes to work hours for the above-referenced project that was approved by the Council on February 16, 2017.

Pursuant to Condition No. 1 of the Council's Decision on February 16, 2017, your request to perform work from 9:00 a.m. until 6:00 p.m. on Sunday, May 6, 2018 at Southington Substation is hereby approved. The extended work hours are necessary to complete electrical work and metering inside the control house during a scheduled outage. It would be quiet work with minimal crew on site.

This approval applies only to the request for changes to work hours dated May 3, 2018. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman  
Executive Director

MB/MP

**Subject:** PET 1283 Sunday Hours 5/6

Dear Melanie Bachman:

Eversource is requesting approval from Council staff for Sunday work hours (9 AM to 6 PM) on May 6 for work at the Southington Substation. The reason for the request is to complete required electrical work and metering inside the control enclosure during the scheduled outage. The work would be quiet work with minimal crew on site.

Municipal officials and abutters have been contacted about this work.

Please let me know if you have any questions or concerns.
