**Subject:** Petition No. 1283 Southington Substation: Request for Extended hours for today part 2

Dear Ms. Bachman:

Most of the sections of the new control enclosure were delivered to the substation by 5:30 p.m. last night. Two sections were delayed last night are in transit for delivery to the Southington Substation today. Due to the delay in the delivery of the last sections of the control enclosure, Eversource is requesting to extend the work hours from the approved 7:00 p.m. to 8:00 p.m. for today.

The town and abutters have been notified.

Please contact me with any questions or concerns.
