Trumbull, CT 06611

RE: PETITION NO. 1291 - Eversource Energy petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the Towantic Line Upgrades Project that includes rebuilding and reconductoring approximately 4.4 miles of its existing 115-kilovolt electric transmission lines within existing Eversource right of way between Devon 7R Substation and East Devon Junction both located in the City of Milford, Connecticut; between the West Devon Junction located in the Town of Stratford, Connecticut and Trumbull Junction located in the Town of Trumbull, Connecticut; and between Devon 7R Substation located in the City of Milford, Connecticut and West Devon Junction located in the Town of Stratford, Connecticut and related transmission line structure improvements.

Dear First Selectman Herbst:

Pursuant to Connecticut General Statutes §16-50k, the Connecticut Siting Council (Council) is in receipt of a petition for a declaratory ruling to make modifications/improvements to an existing electric transmission line in the municipalities of Milford, Stratford and Trumbull.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about February 21, 2017, written notice of the intent to file the petition for a declaratory ruling was provided to the Council, the property owners of record, abutting property owners and the chief elected official of each municipality in which the proposed project is located.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by March 24, 2017.

Thank you for your consideration.

Sincerely,

Melanie A. Bachman
Executive Director
