Notice of Completion

Dear Ms. Bachman:

On August 13, 2018, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 18 transmission structures at various locations along the Eversource transmission right-of-way in the Towns of Bloomfield and Windsor, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on February 28, 2019.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kathleen M. Shanley". The signature is fluid and cursive, with a large loop at the end.
