Notice of Completion

Dear Chairman Stein:

On July 31, 2017, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 16 transmission structures at various locations along the Eversource transmission right-of-way in the Towns of Cheshire and Wallingford, subject to conditions. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- The Council shall be notified within 45 days after completion of the transmission line maintenance activity that construction has been completed. Construction was completed on December 15, 2017.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

Kathleen M. Shanley
