Notice of Completion

Dear Director Bachman:

On December 4, 2017, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace seven transmission structures at various locations along the Eversource transmission right-of-way in the Towns of Middletown and Berlin subject to conditions. On September 21, 2018 Eversource was granted an extension from the Council to complete remediation activities associated with the structure replacement project by September 4, 2019. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on June 7, 2019.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

Kathleen M. Shanley
