Notice of Completion

Dear Chairman Murphy:

On August 28, 2017, Eversource Energy (“Eversource”) received an acknowledgement from the Connecticut Siting Council (“Council”) of Eversource’s notice to replace 13 transmission structures at various locations along the Eversource transmission right-of-way in the Towns of Newington, New Britain, and Berlin, subject to conditions. On June 12, 2018 Eversource was granted an extension from the Council to complete remediation activities associated with the structure replacement project by March 31, 2019. Among other conditions of the acknowledgement, the Council required that Eversource submit the following item:

- Not less than 45 days after completion of the transmission line maintenance activity, the Council shall be notified in writing that construction has been completed.

Construction was completed on December 21, 2018.

Enclosed are this original and two (2) copies of this Notice of Completion.

Sincerely,

Kathleen M. Shanley
