RE: **PETITION NO. 1308** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed replacement of two existing radio telecommunications facilities with a new 63.6-foot telecommunications facility on the roof of its existing Danielson Work Center used as a service center and maintenance yard located on property owned by Eversource Energy at 173 Mechanic Street, Killingly, Connecticut.

Dear Ms. Shanley:

The Connecticut Siting Council (Council) is in receipt of a copy of the Federal Aviation Administration notices, dated April 25, 2018 and submitted in compliance with Condition No. 1 of the Council's Decision on July 21, 2017.

This acknowledgement applies only to the Federal Aviation Administration Notices, dated April 25, 2018. Any significant changes to the above-referenced project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director
