RE: **PETITION NO. 1311** - Cellco Partnership d/b/a Verizon Wireless petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed installation of a wireless telecommunications facility on the roof of the existing Yarnall Athletic Center and Bookstore at Mitchell College located at 40 Debiasi Drive, New London, Connecticut.

Dear Attorney Baldwin:

Pursuant to Connecticut General Statutes §4-176(e), the current deadline for action date for the above-mentioned petition is August 21, 2017. Due to the cancellation of the energy/telecommunications meeting for August 17, 2017, the Connecticut Siting Council (Council) will need additional time to act on this petition.

Pursuant to Connecticut General Statutes §4-176(i), the Council hereby requests consent from the petitioner for a 30-day extension of the deadline for action date in Petition No. 1311 until September 21, 2017.

The petitioner's consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 150-day tower siting timeframe in accordance with Paragraph 49 of the FCC Declaratory Ruling issued on November 18, 2009 (FCC WT Docket No. 08-165).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
