DEPARTMENT OF AGRICULTURE'S MOTION TO CONTINUE HEARING

The State of Connecticut Department of Agriculture ("DOA"), a party to this proceeding, hereby moves to continue the hearing in this matter, currently scheduled for September 12, 2017. Neither Commissioner of Agriculture Steven K. Reviczky nor his undersigned representative, who is the Commissioner's executive assistant, is available on that day, as both will be attending the annual meeting of the National Association of State Departments of Agriculture ("NASDA") in New Orleans, which is being held from September 11 through September 14. Commissioner Reviczky is NASDA's First Vice President and its rising President, so his attendance at the annual meeting is required.

In addition, DOA agrees with the statements of the Town of Simsbury ("the Town") made in the Town's Motion to Continue Hearing, dated July 28, 2017, concerning the potential impact of the project that is the subject of the petition as well as the need for adequate time to review the fairly voluminous petition. DOA joins with the Town in its request to continue the hearing.

WHEREFORE, DOA requests the Siting Council to continue the formal hearing in this matter to October 19, 2017, or a date thereafter convenient to the Siting Council.
