**Re: Petition 1313 -DWW Solar II, LLC Petition for Declaratory Ruling that No
Certificate of Environmental Compatibility and Public Need Is Required for a 26.4
Megawatt AC Solar Photovoltaic Electric Generating Facility in Simsbury, Connecticut**

Dear Attorney Bachman:

Please be advised that after considering the matter, my clients have concluded that they must withdraw the testimony and exhibits of Mr. George Logan. They report that they simply do not have the funds to have Mr. Logan respond to interrogatories and appear for further cross-examination. Accordingly, I am asking the Council for relief from the order to compel issued by the Council at the last hearing session.

Very Truly Yours,

Alan M. Kosloff, Esq.
