**Re: Petition of DWW Solar II, LLC for a Declaratory Ruling that no Certificate of Environmental Compatibility and Public Need is Required for a 26.4 Megawatt AC Solar Photovoltaic Electric Generating Facility in Simsbury, Connecticut**

Dear Ms. Bachman:

I am writing on behalf of my client, DWW Solar II, LLC, (“DWW”) in connection with the above-referenced Petition. In response to various Interrogatories received by DWW and pursuant to the Siting Council’s August 4, 2017 Memorandum, DWW hereby submits an original and 15 copies of the following:

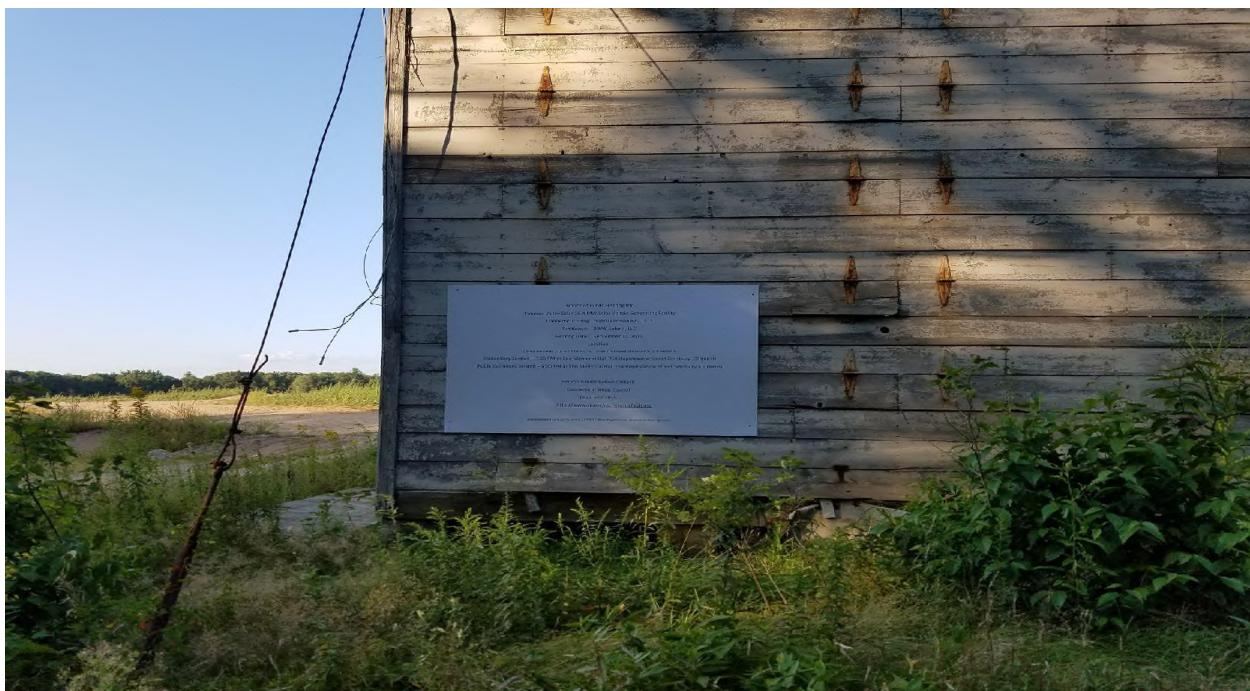

- DWW’s list of witnesses who will testify on behalf of DWW at the September 12, 2017 public hearing and who will be subject to cross examination at that hearing;
- DWW’s Request for Administrative Notice;
- Responses to Interrogatories served upon DWW by the Connecticut Department of Agriculture; and
- Responses to Interrogatories served upon DWW by the Town of Simsbury.

In addition, pursuant to paragraph 5 of the Council’s August 4, 2017 Memorandum, DWW was to have constructed three signs notifying individuals about DWW’s proposed Project. The signs were erected on August 30, 2017 at the following locations: County Road adjacent to Munnisunk Brook, Hoskins Road adjacent to the middle and south solar fields and in the Eversource right-of-way along Hopmeadow Street. The signs were erected as depicted in the following pages.
