**Re: Petition 1313 – DWW Solar II, LLC Petition for Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need Is Required for A 26.4 Megawatt AC Solar Photovoltaic Electric Generating Facility in Simsbury, Connecticut**

Dear Attorney Bachman:

This office represents the Town of Simsbury (“Town”). I write to include a portion of the Town’s response to the Connecticut Siting Council’s Interrogatories, specifically Interrogatory No. A6f-2, which was inadvertently omitted. The Town is also concerned that residences along the Berkshire Way would have inadequate buffering from the Project, particularly since DWW did not perform a visibility analysis of leaf-off conditions.

Please do not hesitate to contact me with any questions.

Very truly yours,
