RE: **PETITION NO. 1313** – DWW Solar II, LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of a 26.4 megawatt AC solar photovoltaic electric generating facility on approximately 289 acres comprised of 5 separate and abutting privately-owned parcels located generally west of Hopmeadow Street (US 202/CT 10), north and south of Hoskins Road, and north and east of County Road and associated electrical interconnection to Eversource Energy's North Simsbury Substation west of Hopmeadow Street in Simsbury, Connecticut.

On October 10, 2017, the Connecticut Siting Council (Council) granted DWW's Solar II, LLC's (DWW) Motion to Compel Responses to Interrogatories from Flammini, et al.

On October 17, 2017, the Council received from Flammini, et al. a request that the testimony and exhibits of Mr. George Logan be withdrawn and that relief from the order to compel be granted. These requests will be placed on the October 26, 2017 Council meeting agenda for Council consideration.

Parties and intervenors are requested to submit comments or statements of position in writing to the Council with respect to whether the withdrawal of Mr. Logan's testimony and exhibits and the request for relief from the order to compel should be granted or denied by the close of business on or before October 20, 2017.
