August 3, 2017

The Honorable Luke Bronin  
Mayor  
City of Hartford  
Municipal Building  
550 Main Street  
Hartford, CT 06103

RE: **PETITION NO. 1317** – Broad Street Fuel Cell, LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of a 1.4 megawatt customer-side combined heat and power fuel cell facility to be located adjacent to and south of the Ferris Athletic Center at Trinity College, 300 Summit Street, Hartford, Connecticut.

Dear Mayor Bronin:

Pursuant to Connecticut General Statutes §16-50k, the Connecticut Siting Council (Council) is in receipt of a petition for a declaratory ruling to install a 1.4 megawatt customer-side combined heat and power fuel cell facility in the City of Hartford.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about August 2, 2017, written notice of the intent to file the petition for a declaratory ruling was provided to the Council, the property owner of record, abutting property owners and the chief elected official of the municipality in which the fuel cell facility is proposed to be located.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling, please feel free to call me at 860-827-2951 or submit written comments to the Council by September 1, 2017.

Thank you for your consideration.

Sincerely,

Melanie A. Bachman  
Executive Director

MB/FC/bm
