RE: **PETITION NO. 1323** – Windham Solar LLC petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance and operation of three 2.0 Megawatt AC and two 1.0 Megawatt AC solar photovoltaic electric generating facilities on an approximate 43 acre parcel located at 134 Bilton Road, Somers, Connecticut.

Dear Attorney Little:

The Connecticut Siting Council (Council) requests your response to the enclosed question no later than November 28, 2017. To help expedite the Council's review, please file the response as soon as it is available.

Please forward an original and 15 copies to this office, as well as a copy via electronic mail. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators. Fewer copies of bulk material may be provided as appropriate.

Any request for an extension of time to submit responses to interrogatories shall be submitted to the Council in writing pursuant to §16-50j-22a of the Regulations of Connecticut State Agencies.

Yours very truly,

Melanie A. Bachman  
Executive Director
