**RE: PETITION NO. 1326** - Cellco Partnership d/b/a Verizon Wireless declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed installation of a wireless telecommunications facility on the roof of an existing commercial building located at 1385 Post Road East, Westport, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of the request for an extension of construction time for this declaratory ruling, dated August 30, 2018. Pursuant to Condition No. 2 of the Council's decision letter dated November 9, 2017, the deadline for completion of construction for this project is three years from the date of the mailing of the Council's decision. The decision was rendered on November 9, 2017. Therefore, the deadline for completion of construction is November 9, 2020, rendering the extension request to May 9, 2019 unnecessary.

Sincerely,

Melanie A. Bachman  
Executive Director

Re: **Petition No. 1326 – Cellco Partnership d/b/a Verizon Wireless  
1385 Post Road East, Westport, Connecticut**

Dear Ms. Bachman:

On November 9, 2017, the Siting Council approved the above-referenced Petition to install a telecommunications facility at 1385 Post Road East in Westport, Connecticut. Cellco has not yet completed the approved modifications. Construction is expected to begin this Fall. In an excess of caution, we are requesting an extension of six (6) months, to May 9, 2019, to complete the installation.

If you have any questions please do not hesitate to contact me.

Sincerely,
