RE: **PETITION NO. 1329** - Doosan Fuel Cell America, Incorporated petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a customer-side 440 kilowatt fuel cell facility to be located at the West Haven Water Pollution Control Authority Complex, 2 Beach Street, West Haven, Connecticut.

Dear Attorney Walker:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on October 3, 2017.

According to Section 16-50j-39a of the Regulations of Connecticut State Agencies, "no declaratory ruling shall be issued to any person until a complete petition containing all information relevant by the Council has been filed."

Staff has reviewed this petition for completeness and has identified the following deficiencies in the filing:

1. notice to the City of West Haven Planning and Zoning, Conservation and Open Space and Inland Wetland Commissions are not evident; and
2. the abutters' map is not clearly labeled to correspond to the list of abutters.

Pursuant to Section 16-50j-40 of the Regulations of Connecticut State Agencies, "Prior to submitting a petition for a declaratory ruling to the Council, the petitioner shall, where applicable, provide notice to each person other than the petitioner appearing as record as an owner of property which abuts the proposed primary or alternative sites of the proposed facility, each person appearing of record as an owner of the property or properties on which the primary or alternative proposed facility is to be located, and the appropriate municipal officials and government agencies. Proof of such notice shall be submitted with the petition for declaratory ruling."

Therefore, the petition is incomplete at this time. The Council recommends that the petitioner provide proof of service of a copy of the petition for a declaratory ruling on the City of West Haven Planning and Zoning, Conservation and Open Space and Inland Wetland Commissions, and provide to the Council a clearly labeled abutters' map of the proposed site on or before October 26, 2017. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to October 26, 2017.
