RE: **PETITION NO. 1337** - The Connecticut Light and Power Company d/b/a Eversource Energy petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed Stepstone to Green Hill Substation Upgrade Project that includes replacement of approximately 5.6 miles of its existing No. 1508 115-kilovolt (kV) electric transmission line structures within existing Eversource electric transmission line right of way between Stepstone Substation located at 50 Stepstone Road, Guilford, Connecticut and Green Hill Substation located at 775 Green Hill Road, Madison, Connecticut, and related electric transmission line structure improvements.

Dear Ms. Taylor:

The Connecticut Siting Council (Council) is in receipt of the email correspondence dated May 10, 2018, regarding temporary changes to work hours for the above-referenced project that was approved by the Council on February 1, 2018.

Pursuant to Condition No. 2 of the Council's Decision on February 1, 2018, your request to perform Sunday work hours on May 20, June 10, 17, 24 and July 15, 2018 is hereby approved. All Sunday work would be performed from 8:00 a.m. to 5:00 p.m. and would include structure installation, transferring the conductor, removing existing structures and pulling optical ground wire in Guilford and Madison during scheduled outages. The change in work hours is necessary due to changes in the outage schedule.

This approval applies only to the request for changes to work hours dated May 10, 2018. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman  
Executive Director  
MB/FC

**Subject:** PET 1337: 1508 Line Sunday Work Hours (5/20, 6/10, 6/17, 6/24, 7/15)

Dear Melanie Bachman:

Due to changes in the outage schedule, Eversource is requesting approval from Council staff for Sunday work hours (8 AM to 5 PM) on May 20, June 10, 17, 24 and July 15. The associated work activities would be for structure installation, transferring the conductor, removing the existing structures, and pulling OPGW in Guilford and Madison during scheduled outages.

The municipal officials of Guilford and Madison have been notified and the abutters will be contacted about this work in advance of work activities.

If you have any questions or concerns about this work, please contact me.
