PETITION NO. 1339

Melanie Bachman
Acting Executive Director
Connecticut Siting Council
10 Franklin Square
New Britain, CT 06051

Re: Wallingford Renewable Energy, LLC Petition for Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need Is Required for the Construction, Operation and Maintenance of the Wallingford Renewable Energy Solar Project in Wallingford, Connecticut

Dear Ms. Bachman:

My client, Wallingford Renewable Energy, LLC, is filing the enclosed petition for declaratory ruling with the Siting Council related to its development of the Wallingford Renewable Energy Solar Project, a 19.99 megawatt alternating current ground-mounted solar photovoltaic system on three contiguous parcels of land in the Town of Wallingford, Connecticut.

In furtherance of this petition, I have enclosed an original and 15 copies of the petition. In addition, three copies of full-sized drawings are included with this submittal, as is a CD with electronic copies of the petition. A check in the amount of \$625.00 is also included as the filing fee for the petition.

If you have any questions concerning this submittal, please contact the undersigned at your convenience. We look forward to working with the Council to process this petition.

Sincerely,

A handwritten signature in black ink that reads "Lee D. Hoffman".
