## **Re: Proposed Solar Installation at 700 Middletown Avenue, North Haven, CT**

To Whom it May Concern:

I am writing to state that I have received the Development and Management Plan Set for 4.98 MW Photovoltaic installation to be located at 700 Middletown Avenue in North Haven, CT (plans dated April 6, 2018 and revised November 16, 2018) and have "No Comment" on the proposed project.

Sincerely,
