RE: **PETITION NO. 1346** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the replacement and relocation of an existing telecommunications facility and an existing relay and control enclosure located at Manchester Substation, 250 Olcott Street, Manchester, Connecticut, and related substation improvements.

Dear Ms. Bellion:

The Connecticut Siting Council (Council) is in receipt of your email correspondence of July 11, 2019 regarding temporary changes to work hours for the above-referenced declaratory ruling issued by the Council on July 20, 2018.

Pursuant to Condition No. 1 of the Council's Decision of July 20, 2018, your request to perform work from 7:00 p.m. to 10:00 p.m. from Tuesday, July 16, 2019 through Friday, July 19, 2019 is hereby approved. The extended hours are necessary to accept delivery of the ten sections of the new control enclosure and set each section onto the concrete pad. Eversource estimates that it will take approximately six hours to set each section on the concrete pad. Construction equipment will include, but not be limited to, light stands, a crane and hand tools.

This approval applies only to the request for extended work hours in your email of July 11, 2019. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

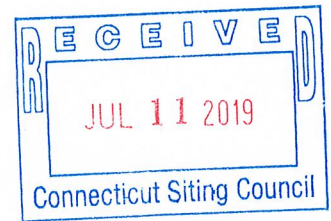

Melanie A. Bachman
Executive Director

MB/MP

Subject: RE: Petition 1346 - Manchester Substation - Extended Work Hours - Tuesday, July 16, 2019 through Friday, July 19, 2019

Dear Ms. Bachman:

I apologize for the error/typo in providing what dates we need the extended hours for. We are requesting the extended hours of 7PM-10PM on Tuesday, July 16, 2019 through Friday, July 19, 2019.

Thank you.

Subject: Petition 1346 - Manchester Substation - Extended Work Hours - Tuesday, July 16, 2019 through Friday, July 19, 2019

Dear Ms. Bachman:

We are requesting staff review and approval for extended work hours for the above referenced project on Tuesday, July 16, 2019 through Friday, November 19, 2019 from 7PM to 10PM. These extended hours are needed to accept delivery of the ten (10) sections of the new control enclosure and set each section onto the concrete pad. It is estimated to take approximately six (6) hours to set each section on the concrete pad. The equipment that will be used during the extended hours are light stands, a crane and hand tools.

We have notified the Town of Manchester of this proposed work during extended work hours.

Please do not hesitate to contact me should you have any questions regarding this request.
