RE: **PETITION NO. 1346** - The Connecticut Light and Power Company d/b/a Eversource Energy declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed replacement and relocation of an existing telecommunications facility and an existing relay and control enclosure located at Manchester Substation, 250 Olcott Street, Manchester, Connecticut, and related substation improvements.

Dear Ms. Bellion:

The Connecticut Siting Council (Council) is in receipt of your email correspondence of April 4, 2019 regarding temporary changes to work hours for the above-referenced declaratory ruling that was issued by the Council on July 20, 2018.

Pursuant to Condition No. 1 of the Council's Decision of July 20, 2018, your request to perform work from 9 AM to 6 PM on Sunday, April 7, 2019 is hereby approved. The Sunday work hours are required to allow Eversource to receive a material delivery and will consist of an Eversource contractor off-loading containers using a crane and placing them in the laydown area associated with the project.

This approval applies only to the request for Sunday work hours in your email of April 4, 2019. Any significant changes to the project require advance Council notification and approval.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director

MB/MP

Subject: Petition 1346: Manchester Substation Project - Extended Work Hours, Sunday, April 7, 2019
To: "Bachman, Melanie" <Melanie.Bachman@ct.gov>
Cc: "Shanley, Kathleen M" <kathleen.shanley@eversource.com>

Dear Ms. Bachman:

Eversource is requesting from Council staff approval of extended work hours at the Manchester Substation on Sunday, April 7 from 9AM-6PM.

Eversource is expecting a material delivery from overseas via the Port of New York and the timing of the delivery is based on when the container ship off-loads the material at the Port.

The delivery will consist of three containers and an Eversource contractor will off-load the containers using a crane and placing them in the laydown area identified in the Petition. The containers will remain closed and locked.

The Town of Manchester has been notified of this work.

Please review and please let me know if you have any questions.
