Re: Freedom of Information Act Request

Dear Ms. Bachman:

At a scheduled meeting of the Connecticut Siting Council ("Council"), held on October 25, 2018, Dr. Michael Klemens read a "prepared statement" concerning unanswered questions Dr. Klemens had with respect to Petition 1345 and Petition 1347. Both of those petitions were under consideration by the Council at the Council's October 25, 2018 meeting.

This letter serves as a formal request pursuant to the Connecticut Freedom of Information Act, Conn. Gen. Stat. § 1-200a, et seq., for a copy of that prepared statement. In addition, this letter serves as a formal request pursuant to the Connecticut Freedom of Information Act for a copy of any notes, drafts, correspondences, emails, memoranda or other documents, whether in printed or electronic form, relating to the prepared statement of Dr. Klemens or that were relied upon in the preparation of the prepared statement by Dr. Klemens. For electronic materials, please provide the materials in their native format (e.g., e-mails, Microsoft Word documents, etc.)

This request extends to any and all materials, including emails, in the possession of the Council, its employees, and individual members of the Council, whether such information is contained on state of Connecticut-issued computer systems or the computer systems of individual members of the Council.
