RE: **PETITION NO. 1352** – Nutmeg Solar, LLC, petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 19.6-megawatt AC solar photovoltaic electric generating facility on approximately 162 acres comprised of 9 separate parcels located generally south of Bailey Road and east of Route 191 (Broad Brook Road), and associated electrical interconnection to Eversource Energy's Scitico Substation at 20 Bailey Road in Enfield, Connecticut.

Dear Attorney Lugli:

The Connecticut Siting Council (Council) is in receipt of the Department of Energy and Environmental Protection's (DEEP) request for an extension of time to submit state agency comments on the above-referenced petition for a declaratory ruling submitted by Nutmeg Solar, LLC on October 19, 2018. The current deadline for comments is November 16, 2018.

Due to the Council's statutory time limitations under the Uniform Administrative Procedure Act to take an action in writing within 60 days of receipt of a petition for a declaratory ruling and the publicly noticed dates upon which the Council's regular meetings fall in December, the Council hereby grants an extension of time to submit comments on the above-referenced petition for a declaratory ruling to **November 29, 2018**.

Should you have any questions, please feel free to contact the Council's office at 860-827-2935.

Thank you for anticipated cooperation.

Sincerely,
