RE: **PETITION NO. 1352** – Nutmeg Solar, LLC, petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 19.6-megawatt AC solar photovoltaic electric generating facility on approximately 162 acres comprised of 9 separate parcels located generally south of Bailey Road and east of Route 191 (Broad Brook Road), and associated electrical interconnection to Eversource Energy's Scitico Substation at 20 Bailey Road in Enfield, Connecticut.

Dear Representatives Hall and Stokes and Senator Kissel:

The Connecticut Siting Council (Council) is in receipt of your correspondence, dated November 9, 2018 concerning a request for a public hearing for the above-referenced petition.

Before making any final decision on a petition, the Council may hold a public hearing and must carefully consider all of the facts contained in the evidentiary record. If the Council decides to hold a public hearing, public notice of the hearing location, date and time will be provided. The evidentiary record is developed by the Council; the petitioner, parties and intervenors in the proceeding; and members of the public who speak at the public hearing, if one is held, or submit written statements to the Council.

This petition will be placed on a future Council meeting agenda for discussion and decision.

You can view the petition filing on our website on the Pending Matters link on our website at www.ct.gov/csc. If the Council holds a public hearing, the documents in the proceeding will also be accessible through this link. You may also keep apprised of Council events on the website calendar and agenda.

Thank you for your interest and concern in this very important matter.

Sincerely,

Melanie A. Bachman
Executive Director
