RE: **PETITION NO. 1364A** - Cellco Partnership d/b/a Verizon Wireless request to amend its declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed installation of a small cell telecommunications facility on the roof of an existing commercial and residential building located at 192 Main Street, Norwich, Connecticut.

Dear Mayor Nystrom:

Pursuant to Connecticut General Statutes §4-176 and §16-50k, the Connecticut Siting Council (Council) is in receipt of a request to amend a declaratory ruling to change the location of the previously approved small cell wireless facility from the roof to the façade of an existing building in the City of Norwich.

In accordance with Section 16-50j-40 of the Regulations of Connecticut State Agencies, on or about October 11, 2019, written notice of the intent to file the amendment to the declaratory ruling was provided to the Council, the property owner of record, abutting property owners and the chief elected official of the municipality in which the telecommunications facility is proposed to be located.

Should you have any questions or comments regarding the above-referenced petition for a declaratory ruling amendment, please feel free to call me at 860-827-2951 or submit written comments to the Council by November 14, 2019.

Thank you for your consideration.

Sincerely,

Melanie A. Bachman
