RE: Proposed installation of solar electric generating facility to be located off of Meriden Road (Route 66) in Middlefield and Middletown, Connecticut with reference to your properties located at Ballfall Road M/B/L 08/ /0314 and 08/ /0315, Middletown, Connecticut and Meriden Road & Route 66 M/B/L 2/ /15, Middlefield, Connecticut

Dear Ms. Penney and Ms. Charton:

I write on behalf of CP Middletown Solar I, LLC and CP Middletown Solar II, LLC, wholly owned subsidiaries of Citrine Power, LLC (collectively "Citrine"). Citrine intends to file with the Connecticut Siting Council ("Council") a petition for declaratory ruling ("Petition") that a Certificate of Environmental Compatibility and Public Need is not required.

The Petition addresses the construction, operation and maintenance of a 1.0 megawatt ("MW") alternating current ("AC") and a 0.986 MW AC ground mounted solar photovoltaic electric generating facility, both of which would be located off of Meriden Road (Route 66) in Middlefield and Middletown, Connecticut ("Project"). The Project would be situated on a portion of several parcels of land, with the Project area totaling approximately 8.7 acres. The Project would include the installation of photovoltaic modules, inverters and transformers, electrical lines and a perimeter fence and slight improvements to an existing access road.

As a developer of and investor in renewable power facilities, Citrine seeks out sites that are environmentally responsible and will meet its renewable energy generation objectives. Citrine has identified the Project to further such initiatives.

This letter serves as notice to you as owner of the Property pursuant to § 16-50j-40 of the Regulations of Connecticut State Agencies. Citrine will file the Petition on or about April 12, 2019, and will request that the Council place the Petition on some future agenda.

You may review the Petition at the office of the Council, which is located at 10 Franklin Square, New Britain, Connecticut, 06051, or at the City Hall for the City of Middletown or Town Hall for the Town of Middlefield. If you have any questions or concerns regarding this matter, please contact the undersigned at (203) 786-8317, or the Council at (860) 827-2935.

Very truly yours,

Jesse A. Langer
