**RE: Petition For a Declaratory Ruling That No Certificate of Environmental Compatibility And Public Need is Required ("Petition") for the Installation of One (1) on-site, 440 kW Fuel Cell at Carla's Pasta Inc., 280 Nutmeg Rd, South Windsor, CT 06074.**

To whom it may concern,

Pursuant to Section 16-50j-40 of the Connecticut Siting Council's (the "Council") Rules of Practice, we are notifying you that Doosan Fuel Cell America, Inc. intends to file a petition for declaratory ruling with the Connecticut Siting Council ("Council") on or about March 29, 2019. The petition will request the Council's approval of the installation of one (1) 440kW fuel cell and ancillary equipment ("the Facility") in support of a customer-side, distributed generation project at 280 Nutmeg Rd South Windsor, CT 06074. The Facility will be powered by natural gas and generated electricity will be consumed on-site.

The proposed placement of the fuel cell is located near the entrance way of the new Carla's Pasta manufacturing facility. The proposed new construction will be approximately 29 feet long, 8 feet wide and 10 feet high.

If you have any questions regarding the proposed work, please contact any of the following:
