RE: PETITION NO. 1381 - Bloom Energy Corporation petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a customer-side 600-kilowatt fuel cell facility and associated equipment to be located at the Hospital for Special Care, 2150 Corbin Avenue, New Britain, Connecticut.

Dear Attorney Bachman:

The following and enclosed respond to the Council's letter of September 17, 2019 noting deficiencies in notification to Town of Farmington officials, U. S. Representative Jahana Hayes and State Representative William Petit.

The oversight of Farmington officials was discovered and corrected on Friday, September 13, prior to receipt of the Council's letter. Notifications were sent to Congressperson Hayes and Rep. Petit on Tuesday, September 17, upon receipt of the Council's letter. In response to the request in the Council's letter, copies of the petition were mailed to those individuals on Saturday, September 21. Enclosed are certificates of mailing evidencing each of these mailings. Also enclosed are a revised Exhibit 10 (Notice and Service List) and certificates of mailing for the initial notification letters sent on Monday, September 10.

We apologize for the oversight. If any additional information is required, please do not hesitate to contact me.

Best Regards,

Justin Adams
