RE: **PETITION NO. 1381** – Bloom Energy Corporation petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a customer-side 600-kilowatt fuel cell facility and associated equipment to be located at the Hospital for Special Care, 2150 Corbin Avenue, New Britain, Connecticut.

Dear Mr. DeVoe:

The Connecticut Siting Council (Council) is in receipt of the Town of Farmington's correspondence received via email on September 17, 2019 concerning the above-referenced petition. Thank you for taking the time to provide the Council with your comments.

This petition will be placed on a future Council meeting agenda for discussion and decision. Please note that you can view all of the documents related to this petition on our website at [www.ct.gov/csc](http://www.ct.gov/csc) under the "Pending Proceedings" link. You may also keep apprised of Council events on the website calendar and agenda.

Before reaching a final decision on a petition, the Council carefully considers all of the facts contained in the record that is developed by the Council, the petitioner, parties and intervenors to the petition, and members of the public who attend the field review and submit written statements to the Council.

Your comments shall become part of the official record in this matter in the form of a limited appearance defined under subsection (f) of Connecticut General Statutes §16-50n. Copies of your correspondence will be distributed to the petitioner and parties and intervenors to the petition.

Thank you for your interest and concern in this matter.

Sincerely,

Melanie A. Bachman  
Executive Director

**Subject:** RE: Petition No. 1381 Council Letter to the Town of Farmington

All,

This installation will be closest to the land that lies between the Fienemann Road exit ramp and the City of New Britain. All properties with structures in Farmington have access through the City of New Britain only, and the highway. In my opinion, they will not be adversely impacted by noise generated by this installation, particularly in light of the noise generated by I-84.
