Re: Petition No. 1048 withdrawl

This letter is submitted on behalf of Bloom Energy to withdraw, without prejudice, its approved Petition No. 1048 for the installation of one (1) 250 kilowatt (kW) Bloom Energy Corporation fuel cell facility at Sam's Club on 69 Pavilions Drive, Manchester. Bloom's withdrawal is procedural only. At a public meeting held on February 18, 2016, the Connecticut Siting Council considered and ruled that Petition 1208 would not have a substantial adverse environmental effect. Condition 1 of the declaratory ruling requested Bloom submit a letter of withdrawl for Petition 1048 prior to the construction the Customer-Side 200-Kilowatt Fuel Cell Facility located at Sam's Club on 69 Pavilions Drive, Manchester.

Sincerely,
Bloom Energy
