**Subject:** Petition No. 1103 Waterbury

Good afternoon Melanie,  
I hope you enjoyed the Labor Day holiday.

I'm emailing on behalf of AT&T with an update on Petition No. 1103 in Waterbury. This petition was approved in June of 2014 (prior to the 3 year deadline for construction for petitions). A minor modification was approved in August of last year. Construction and provisioning of this facility is dependent on Eversource's schedule of an outage. At this time, based on the information provided to AT&T by Eversource, AT&T anticipates that its facility will be on-air by 11/1. If this schedule changes, I will provide an update.

Please let me know if you would like this update provided in a letter.

Thanks,  
Lucia
