1. Manner in which petitioner claims to be substantially and specifically affected:

I am a city councilman for the 130th district. This facility directly overlooks most of the South side of my district. Additionally as a resident of Bridgeport I am directly affected as a person who has worked hard over the years to protect the city's historical past against administrative decisions which have resulted in damaging that legacy.

2. Manner and extent to which petitioner proposes to participate:

I intend to fully participate in the hearing. I intend to present evidence, testify and cross examine the applicant and their witnesses.

Copies of this request shall be electronically mailed to all participants at least five days before the date of the hearing.
