RE: **PETITION NO. 1110** – The United Illuminating Company petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed Milford 115-kV transmission line upgrade project consisting of the northern and southern sections of 115-kV lines extending from Milvon Substation to Devon Tie Switching Station in Milford, Connecticut.

and

PETITION NO. 1151 – The United Illuminating Company petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed removal and replacement of the existing 115-kV transmission line structures in the Connecticut Department of Transportation right-of-way outside of Milvon substation located at 772 Bridgeport Avenue, Milford, Connecticut.

Dear Chairman Stein:

Pursuant to Regulations of Connecticut State Agencies Section 16-50j-62(b), The United Illuminating Company ("UI") hereby notifies the Council of a change to the site plan design, shown on Drawing 14219-0801 in Appendix C, *115-kV General Access Plan Devon Tie to 868N*, which UI included with the Development and Management Plan submitted on May 29, 2015 and approved by the Council on June 29, 2015.

The enclosed revised site plan reflects the shifting of structure 867N approximately sixty feet to the west and structure 868N approximately ten feet to the west. The new location of 867N provides easier access for the contractors to perform work and also eliminates the concern of having a crane boom lift a structure over a building. The shift of Structure 868N accommodates the shift of structure 867N. These

changes pose no additional impact to the surrounding areas.

Enclosed are an original, 15 copies, and an electronic copy of the revised drawing for the aforementioned Petitions on behalf of The United Illuminating Company for the Council's review and approval.

Please do not hesitate to contact me should you have any questions concerning this filing.

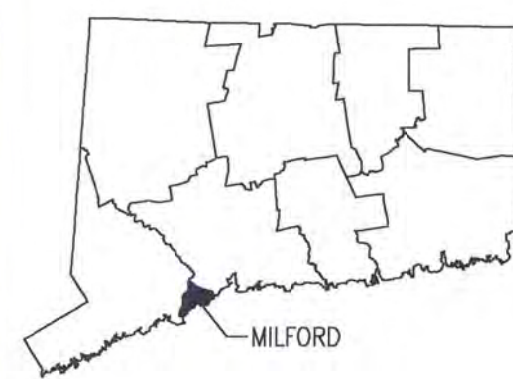

Very truly yours,

A handwritten signature in blue ink, appearing to read "Chris J. Hughes", is written over a faint, larger blue signature.
