RE: Construction start at UI's Hawthorne Substation

Dear Chairman Stein:

This letter is to inform you that construction at UI's Hawthorne Substation located at 180 Hawthorne Drive in Fairfield, Connecticut is scheduled to begin during the week of September 6, 2015. The start of the project is dependent upon the approval of the Development and Management (D&M) Plan which is on the agenda for the Connecticut Siting Council meeting on September 3, 2015.

Outdoor construction activities will typically take place between 7 AM and 5 PM, Monday through Friday.

If you have any questions regarding the construction details, you can find the D&M Plan at <http://www.ct.gov/csc/> under "Pending Proceedings"; Hawthorne is Petition number 1120. If you have any additional questions about the project in general, please call 203-499-3824, and I will be happy to discuss them with you.

Sincerely,

Samantha Marone
