Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated August 3, 2017, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a one-year extension of time until October 11, 2018, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Dear Ms. Bachman:

On October 11, 2016, the Siting Council approved Cellco's Eligible Facilities Request to install antennas and associated equipment on an existing wireless base station at 330 Pokorny Road in Haddam, Connecticut. Cellco has not yet completed the work associated with the approved installation. We are, therefore, requesting an extension of the Council's approval for twelve (12) months to October 11, 2018.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
