Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated September 25, 2018, submitted on behalf of Cellco, requesting a third extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a third one-year extension of time until December 17, 2019, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Dear Ms. Bachman:

On December 17, 2015, the Siting Council approved the above-referenced Sub-Petition for modifications to the existing telecommunications facility at 1249 Hartford Turnpike in Killingly, Connecticut. Cellco has not yet completed the approved modifications at this site. We are, therefore, requesting a third extension of one year, to December 17, 2019, to complete these modifications.
