Re: **PE1133-VER-20150515 – Cellco Partnership d/b/a Verizon Wireless
122 Waterman Road, Lebanon, Connecticut**

Dear Ms. Bachman:

On June 29, 2015, the Siting Council approved Cellco's request to install antennas and associated equipment on an existing wireless base station at 122 Waterman Road in Lebanon, Connecticut. The purpose of this letter is to notify the Council that the facility modifications approved in PE1133-VER-20150515 will not be completed. Cellco will not, therefore, be supplying the Council with a construction completion notification.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
